20′

11+

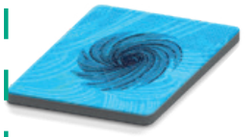

This is an expansion to be used with Sail to add new variety and challenges.

COMPONENTS

- A 2 Whirlpool Tokens
- B 2 Ally Ship Tokens
- C 2 Crow's Nest Tokens
- D 4 Pirate Cards
- E 1 Scenario Book

The following effect occurs when the ship lands on these tiles.

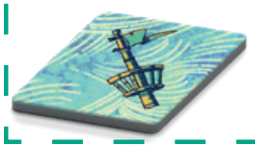

Whirlpool

Make another move in the same direction as you were moving (which could be straight if you were using). Islands and the edge of the map still block movement causing you to end your turn on the whirlpool.

Ally Ship

If possible, move your choice of Tentacle + Wheel Card (1, 2, 3) from the discard pile to the bottom of the Kraken Deck.

Crow's Nest

Immediately do a card exchange with your partner.
